To

The Hon'ble Sr H.C.Dasappa, BA.,LLB.,
Minister for Finance & Trust Boards, Bangalore,
Camp - Mysore.

Respected Sir,

RE: the disposal of five bits of land to the east of Ittigegud.

With refeence to the above, I wish to bring the following facts for your kind consideration. The above bits and houses built on them, were acquired as a first step, with the idea, to begin the acquisition of the whole Ittigegud area. The people that were so displaced were promised to be given sites, near the area, now occupied by the H.H. M.O.I. This was not done, and the acquisition of Ittigegud, also has since been dropped, by Government. The people ever since these acquisitions have been cramped in, and are living in rented houses.

The Chairman has notified to sell these bits of land, by auction, in obedience to your orders. The local people who have lost their properties will be very much let down, if these bits are auctioned. I request your kindself to stay the auction of these five bits, and give us an opportunity to meet and discuss matters with your goodself. Besides such of us as are in public life feel that there will be much complaint and discontentment if the auction takes place. Such a course we humbly suggest is not desirable when the general elections are drawing near.

Hence, I humbly request you, Sir, to stay the auction for the present, and give us a chance to place our case before your goodself.

Thanking you,

Yours faithfully,

My dear Shri Linganna,

Re: the disposal of 5 bits of land to the East of Ittigegud, Mysore.

Yours of no date which was delivered muddam today to me about the stay of the above sale. The letter comes at too late a stage obviously. Even so, I got the concerned papers, such as were available, and I see that they were acquired over 45 years ago from a large number of people and apart from the fact that it will not be possible at this distance of time to identify the particular bits as of the original owners some of whom may not be living now nor will it be proper for sites acquired from a large number to be given only to a few. For like reasons the Government have turned down many similar requests in the past.

It is therefore regretted that nothing could be done at this stage.

Yours sincerely,

Sir;

Subject: Auction sale of sites in Zoo Garden Road.

1821 25-11-51

With reference to your letter No.Nil dated Nil received in this office on 6-11-1951 forwarding copy of representation dated 4-10-1951 from Sri S.Linganna, Municipal Councillor and Trustee, addressed to Government and an application presented by Sri D. Kapanipathi Rao, Advocate on behalf of some parties, I write to state that properties bearing plan Nos. 106,108,86,85,84,106/2 in Bl.No.39, Nazarbad were acquired during the years 1919-26. The particulars of properties acquired as verified from the available acquisition records are enclosed and it is seen therefrom that properties bearing plan Nos. 107,108,106 (portion) were acquired and the owners thereof were compensated. The claim of other signatories could not be verified as the details of the properties acquired from them are not furnished.

As these properties were acquired during 1919-26 and the sites are in possession of the Trust Board since then, the contention of the parties that the sites should not be disposed of by public auction cannot be accepted. In this connection, I am to state that even conceding that some of the properties were acquired from the ancestors of the applicants, it is rather difficult to sell these sites to the applicants because by lapse of time, there may be other descendents of the original owners who may be equally entitled to this concession. Further the selling of these acquired lands to all those who have lost their houses in

P.T.O.

in this area respectively is not possible in as much as it would make it impossible to make a layout at that rate. Further by ~~p~~ lapse of such a long time, it is not also possible to say whether the dishoused parties have been given sites ~~else~~-where at concession rates. Perhaps they have availed themselves of this concession already.

It may not be out of place to bring to the kind notice of Government that the Trust Board disposed of by public auction on 3-11-1947 a vacant land measuring 37' x 30'- ½(6'x6') for rounding the curves near Olympia Talkies which was acquired from Sri Thimmiah on 20-3-1939 for the purpose of constructing a public lavatory. The public latrine was dismantled and the site was advertised for sale. When the owner thereof objected to the public auction, in his petition addressed to Government and requested for selling it to him, his request was not conceded. Sale was held and he appealed to Government and whereupon final orders were passed by Government in their Order No.L.17454/M1.156-47-6 dated 8-6-1948, that there is no need to set aside the sale of the land and that Government see no reason to interfere.

It must also be stated that the sites have gained importance on account of the several improvements effected by the Trust Board from a long time and also by the construction of big bungalows and model houses nearby. The owners of acquired properties do lose their cliam by virtue of their having received the compensation amount and it would be very awkward to recognise their claims to the land subsequent to acquisition in any way. I therefore request that the petitioners may kindly be suitably endorsed and stay order lifted to proceed with the sale.

The petition addressed to the Hon'ble Minister for Finance and Industries is retransmitted.

Yours faithfully,
